## SCEVA SPEARE MEMORIAL HOSPITAL

---

At the invitation of the Board of Selectmen, the Sceva Speare Memorial Hospital Association is happy and proud to present to the citizens of Plymouth their newly erected 50-bed hospital.

Benevolent care of the sick during the early nineties gradually led to the foundation of "The Emily Balch Cottage Hospital Association" which was incorporated on July 3rd, 1899, in honor of the mother of one of its principal promoters, Catherine Holme Balch. The first hospital home was established in the "Cummings" property, situated at 37 Highland street. This house was purchased by the association on July 12, 1899 for the sum of \$1,500.00. On November 10, 1908, a larger building was secured when the private clinique of Dr. Ernest Bell was bought for the sum of \$5150.00. This building, located on Highland street near Avery, was destroyed by fire in February, 1916.

Because of the war situation, no immediate plans were made to re-open the hospital although the Hospital Aid Society remained active. In 1917, the Helen M. Clark bequest, the first of any size left to the hospital, revived the interest in a new building. Furthermore at the town meeting, in March 1919, the townspeople voted the sum of \$3500.00 for the erection of some suitable memorial in honor of the soldiers and sailors of Plymouth who had participated in World War I. This amount was later accepted by the hospital association and on August 18, 1919, its original name was changed to "Emily Balch and Soldiers and Sailors Memorial Hospital" in order to incorporate the provision of the war memorial appropriation.

On June 25, 1920, for the sum of \$8000.00, the association purchased from C. H. Shofield, the "River-view" estate at Livermore Falls, with buildings and 30 acres of land. The building became the home of the new hospital on the following January 20th. This historic house had been erected in 1786 by Moses Little. In 1827, it became the property of Judge Arthur Livermore.

Although repaired on several occasions, as it stands today, this building is one of the oldest structures in this section.

After 20 years of service, this set of buildings was judged inadequate to meet the changing and growing needs of the hospital. Plans for a new structure were being discussed when, on July 5th, 1941, Sceva Speare, a former resident of Plymouth donated the sum of \$50,000.00 toward the construction of a new hospital. World War II disrupted all plans. On August 7, 1942 however, at its annual meeting the association changed its corporate name to "Sceva Speare Memorial Hospital" in honor of its new benefactor. Several other large bequests had also been recorded to this date, namely the Daniel W. Burrows, Elizabeth W. Stevens, Amelia P. Smythe, Climenta Peppard, Jason F. Draper and Carlos M. Morse.

On August 21, 1946, for the sum of \$37,500.00, the association purchased three adjacent parcels of land and buildings with frontage on Highland, Avery and Cummings streets for the new hospital site. On the following December 12, an agreement was signed with the Curtin and Riley, Hospital Architects, of Boston, Mass., and the contract for the construction was awarded to the T. W. Cunningham Inc., of Bangor, Maine, on September 22nd, 1949.

A public fund raising campaign, initiated on July 17, 1947, was later completed by the Women's Hospital Auxiliary. On recommendation by the State Department of Health, Concord, New Hampshire, through the Hill-Burton Act, the Federal Government became interested in the project to the amount of one-third participation in construction and equipment costs. A complete report of all contributions and expenses will be published at a later date.

The ground breaking occurred on October 17th, 1949, and the ceremony of the laying of the corner stone took place on the following February 9th, coinciding with the golden jubilee celebration of the Woman's Hospital Auxiliary, originally the Hospital Aid Asso-

ciation. The formal dedicatory exercises will take place on May 2nd, when the association will officially accept from the Board of Directors the completed structure already in operation.

At this time, the Sceva Speare Memorial Hospital Association wishes to thank the citizens of Plymouth very sincerely. The generous town appropriations have been a great help in the past and will continue to be of vital assistance to the hospital. It is also the belief of the Board of Directors that this modern structure with its many and improved facilities will amply satisfy the hopes and the generosity of all those who take just pride in their new hospital.

Memorial Hospital

## AUDITORS' REPORT

---

Plymouth, New Hampshire

February 6, 1951

We have made a complete audit of all the books and records kept by the Selectmen, Town Treasurer, Town Clerk, Tax Collector, Overseer of the Poor, Road Agent, Trustee of Trust Funds, Treasurer of Library Trustees and Justice of the Municipal Court.

We verified cash balances and reconciled bank statements for all officials having bank accounts. The individual entries for all expenditures were verified by checking on authorization and comparing cancelled checks for all amounts with vouchers and accompanying invoices and payrolls.

In addition to auditing the books of various officials we prepared or approved statements showing the financial condition of the various departments and the results of operations for the year. We believe that our signed statements correctly show the facts of the audited books.

The securities of the trustees of trust funds were submitted for examination. All funds are invested in U. S. Government Bonds or deposited in the Plymouth Guaranty Savings Bank.

We examined the surety bonds of the town treasurer, tax collector, town clerk, trustees of trust funds, and road agent, and found that these officers were properly bonded.

We burned one \$600.00 Town of Plymouth Bridge Bond No. 17 and 8 Interest Coupons totalling \$96.00

## AUDITORS' REPORT

---

Plymouth, New Hampshire

February 6, 1951

We have audited the cash books of the treasurer of the Plymouth Fire District and Plymouth Village Water Department.

We verified the cash balances and reconciled the bank statements. Individual entries for all expenditures were verified by checking on authorizations and comparing cancelled checks for all accounts with vouchers and accompanying invoices and payrolls.

In addition to auditing the books of the treasurer, we have prepared statements showing summaries of cash transactions. We believe that our signed statements correctly show the facts of the audited books.

We examined the surety bond of the treasurer and find that he is properly bonded.

We burned four Plymouth Village Fire District Refunding and Sewer Bonds, Nos. 41, 42, 43, and 44 totaling \$4,000.00 (\$2,500 water, \$1,500 sewer). We have also burned interest coupons totaling \$200.00.

## WATER COMMISSIONERS' REPORT

---

During the year 11 new services were added to the system, eight of which were located in the Precinct and three outside the Precinct. At the close of this year we had 584 customers, of which 558 were in the Precinct and 26 outside the Precinct. We have 377 working meters in service and before the end of 1951 we hope to be close to 100% metered. During the year we had four breaks in mains and 12 breaks in service pipes.

Contracts were let in December for the necessary material, including the well, for rebuilding the system. We hope, and have every reason to believe, that we will have the material to begin work as soon as the frost is out of the ground and would like to complete the job by December 31, 1951.

## STATE OF NEW HAMPSHIRE

---

Grafton, ss.

To the inhabitants of the School District in the Town of Plymouth qualified to vote in district affairs:

You are hereby notified to meet at the Guy E. Speare Auditorium in said district on the eighth day of March, 1951, at eight o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the fiscal year beginning July 1, 1951.
4. To choose a Member of the School Board for the ensuing three years.
5. To determine and appoint the salaries of the District Officers, and fix the compensation of any other officers or agents of the District.
6. To hear the reports of Agents, Auditors, Committees, or Officers, heretofore chosen, and pass any vote relative thereto.
7. To choose Agents, Auditors and Committees, in relation to any subject embraced in this Warrant.
8. To see if the District will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the District, as determined by the School Board in its annual report.
9. To see what amount the District will vote and appropriate, in addition to the original appropriation for 1949-50, of the sum of \$6,000.00, which sum to be made available to the School District prior to July 1.

1951, in order to meet unanticipated obligations caused by failure of the State Legislature to appropriate money for state aid to local school districts.

10. To see what action the District will take in regard to the contract between the State of New Hampshire and the Plymouth Town School District.

11. To see what amount of money the District will vote and appropriate, in addition to that amount voted and appropriated under Article 8, for the purpose of re-surfacing and landscaping school playgrounds.

12. To see if the District will vote to authorize the School Board to borrow money to pay the debts of the District and give therefor notes of the District countersigned by the District Treasurer.

13. To conduct any other business that may legally come before this meeting.

Given under our hands at said Plymouth this ninth day of February, 1951.

## ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

To the Plymouth School Board:

My eighth annual report, now submitted for your consideration and information of Plymouth people, confines itself to a discussion of those items only that merit immediate attention. Further details will be gladly given on request.

Modification of some of the terms of our contract with the State Board of Education was accepted by mutual agreement of both parties to the contract. Annual payments by the Plymouth School District are now based on the average per pupil cost of instruction in schools ranging from an enrollment one hundred less than ours to one hundred more. Since schools in this enrollment group show per pupil costs lower than an average of the entire state, the change is fair and of advantage to Plymouth. The sixty-five per cent computation has been discarded, thereby removing one cause of possible confusion in contract interpretation.

When conditions make it expedient to do so, the district should erect a fence at the lower side of the Guy E. Speare School yard. Greater safety for children at play would follow the erection of a protecting fence.

There is no separate control of heat in the main school building from that in the auditorium. This means that both the main building and the auditorium must be heated when the auditorium is in use and results in heavy fuel consumption. As an economy measure separate controls should be installed if found to be feasible. Many things we ought to do will have to wait until their proper time but they should all be considered in a scheme of long range planning.

Playground space is severely limited at each of our three schools. The area between the Memorial and the High School Building has the added limitations of an

uneven surface and deep mud for several weeks of each year. The suitability of this area for joint use by the older children could be greatly improved by a hard surface. This possibility should be kept in mind in future planning.

An expansion of medical service in Plymouth schools should be carefully considered. Children of grade one ought to have the advantage of a physical examination by the school doctor. Another such examination should be given three or four years later if health services are to be productive of the most good. At the present time, pupils get this medical service only after entering high school and before they start physical education classes. A more beneficial health program can be built up gradually, thus spreading the cost over a period of years. In my opinion, the finest single thing we can do for children is to help them develop strong, healthy bodies that will enable them to make maximum use of mental and spiritual values gained in our schools.

The high school program is under constant study in an effort to have the training of our young people geared as directly as possible to local needs. When experience indicates that changes or eliminations ought to be made, those changes are made. There is no justification for a static high school offering when frequent revision can result in gain both for pupils and for prospective employers. The goal of public education is preparation of young people for lives of increasing usefulness and comfortable association with their fellow citizens. In its effort to reach that goal, Plymouth High School is responsive to the needs, suggestions, and wishes of those whom it serves.

Our teaching staff is competent and efficient. Professional growth is assured by a desire to keep abreast of educational developments and to assume responsibility for sharing in policy determination. Faculty opinions and recommendations are always welcome as we strive to achieve really democratic environment for the training of those whose school years will be followed by active participation in democratic living.

Questions and visits from parents are appreciated, since the greater their understanding of the school the greater will be their confidence and assistance. Increasing public interest in our schools offers greater encouragement to all who work to make them more productive agencies for total community well being.

To all who have contributed advice and assistance, our grateful appreciation is here expressed. Special mention should be made of the zeal and sincerity of school board members in the discharge of their public trust.

Respectfully submitted,

ARTHUR S. ROLLINS,

Supt. of Schools

## PRINCIPAL'S ANNUAL REPORT

---

To the Superintendent of Schools:

I herewith submit my annual report as principal of the Plymouth High School.

Education has the possibility of being the means whereby the American ideals of the "good-life" and the "ideal society" may be realized. The responsibility of attaining these goals rests not only on those charged directly with the responsibility of the educational program but also on the citizens of the community. Goals cannot be attained without financial support nor can they be attained unless citizens take an active interest in what the educational program is trying to accomplish.

The educational program of a school should not remain static. We are continually evaluating our program and making adjustments on this basis within the limits of faculty and building facilities.

Expansion in the Industrial Arts Department was made possible this year by the purchase of additional equipment. A schedule has been developed that allows a greater number of pupils to receive instruction in the field of music. The testing program has been revised and expanded. The information derived will aid teachers in teaching to the needs of the pupils. A review arithmetic course has been given to pupils who needed more instruction in this area. A remedial reading program has been started for freshmen and sophomores. Teachers visited other schools and attended educational meetings bringing back information that helps to improve methods and keep us abreast of trends in education.

An average of about one hundred forty-six high school pupils have been taking advantage of the expanded school lunch program.

Faculty committees are currently considering revision in the fields of home economics, commerce, romance languages, guidance, and English.

I wish to express my appreciation to the School Board, Superintendent Rollins, Citizens, Teachers and pupils for their help and cooperation during the past year.

Respectfully submitted,

ELLIOTT W. KEACH, Principal

## PLYMOUTH ELEMENTARY SCHOOL REPORT

To the School Board, Superintendent of Schools,  
Parents and Citizens of Plymouth:

This school year has found us well adjusted in our permanent quarters. We are pleased with the names that were voted for our schools at the last school meeting. The Guy E. Speare School and the Plymouth Memorial School have meanings for everyone.

On February 5, our enrollment totaled 395 children with a corps of 17 teachers. The distribution of enrollment follows:

Grade	No. of Children	Teacher
Kindergarten	37	Mrs. Ella Batchelder
Grade I	16	Mrs. Hazel Bullen
Grade I	17	Miss Dorothy Levens
Grade I	16	Mrs. Thelma MacFarlane
Grade II	25	Miss Patricia Cogswell
Grade II	27	Mrs. Ellen Tapply
Grade III	22	Mrs. Rosa Ahern
Grade III	21	Miss Dorothy O'Neill
Grade III	20	Mrs. Evelyn Uhlenberg
Grade IV	34	Miss Lulu Hoyt
Grade V	19	Mr. F. Douglas Bowles
Grade V	18	Mrs. Rachel Wright
Grade VI	25	Mr. Albert Merrill
Grade VI	26	Miss Patricia Storer
Grade VII	34	Mr. Norton Bagley
Grade VIII	38	Mrs. Anna Brown
		Miss Pauline Spitzner

Among faculty matters that are under consideration are: objectives of our school; reports to parents; cumulative records; study of the curriculum. The growth necessary for satisfactory achievement means that some of the above items will represent continuous study.

The interest and support of the parents and friends of the school have been a constant inspiration to us all. Among the outstanding examples of their help are: the lunch program sponsored by the Parent Teachers Association; playground equipment given by the fathers of the children; refreshments and entertainment donated by the Rotary Club and the merchants of the town; money given by the mothers of the lower grades for a record player with an amplifier; assistance of a group of mothers in helping to plan a library in the Guy E. Speare School. Such cooperation means that we are conscious of the needs of our children and are working together for their benefit.

We wish to express our appreciation to the School Board, to Mr. Rollins, and to all the friends who are making this an outstanding year for us.

Respectfully submitted,

(Mrs.) STELLA H. DURKEE,

Principal

## 1949-1950 REPORT OF SCHOOL NURSE

---

To Plymouth School Board:

I herewith submit my report as school nurse for the school year 1949-1950.

Number of children weighed, measured and inspected	702
---	-----

Symptoms of defects:

Dental	103
Tonsils	51
Vision	56
Nutrition	13
Orthopedic	3
Speech	9
Posture	25
Chest x-rays advised	6

These corrections were reported made:

Dental	411
Vision—new glasses 36, lens changed 46	
Tonsils	40

Communicable diseases reported:

Chicken pox	54
Measles	7
Mumps	8
Scarlet fever	5
Skin diseases	6
Pediculosis	8

These defects were found on examination of the High School pupils, by Dr. McIver, in September, 1950.

Number examined	290
-----------------	-----

Dental	57
Tonsils	11
Poor posture	5
Orthopedic	1

Flat Feet	24
Nutrition	8
Advise chest x-ray	3
Heart symptom	1

Thirty-two children were treated in 49 dental visits at Clinics sponsored by the Red Cross and Salvation Army, 25 of whom received free care. The treatments given: 54 fillings, 19 extractions and 12 cleanings.

Thirty-seven children were examined and had x-rays at the New Hampshire Tuberculosis Chest Clinics held in Plymouth.

Nine children, with their parents in consultation, attended a Speech Clinic held in Plymouth March 7 and 8th conducted by a speech therapist from the N. H. Crippled Children Ass'n.

Two children were taken to the Mental Hygiene Clinic at Winant House, Concord.

Two children had examinations and glasses through the State Public Welfare Sight Conservation Program.

A Pre-School Kindergarten Clinic at which 28 children were examined was held in June with a Physician and Dentist, the Kindergarten teacher and nurses in attendance.

The Hot Lunch Program is proving to be a great aid to the nutritional needs and health of the children.

Children from the first through the sixth grades attended the Fluorine Clinic held at Plymouth the first three months of the school year.

Again it is a pleasure to have this chance to thank the School Board, Superintendent Rollins, Teachers, Parents and pupils who are cooperating so well toward good health for the children of Plymouth.

Respectfully submitted,

ANNA M. LOVETT, R.N.

MERLIN F. CONNARY

District Treasurer

Plymouth, New Hampshire

July 14, 1950

We have today examined the foregoing account, the books and other records of Merlin F. Connary, Treasurer of the Plymouth Town School District and found them correctly cast and properly vouched as ordered by the School Board. We have today destroyed the following bonds and interest coupons presented for payment against the sums deposited with the National Shawmut Bank of Boston and the Pemigewasset National Bank of Plymouth, N. H., for the purpose of meeting the District's obligations:

Bonds #38-39-40 - Issue of 6/1/38 (3 @ \$1,000 each) interest coupons on said issue - \$618.75;  
Bonds #1-8 inc. - Issue of 6/1/49 (8 @ \$1,000 each); interest coupons on said issue - \$1,600.00,  
being all the bonds and coupons presented.
